

## Daily Scrum or Standup Meeting

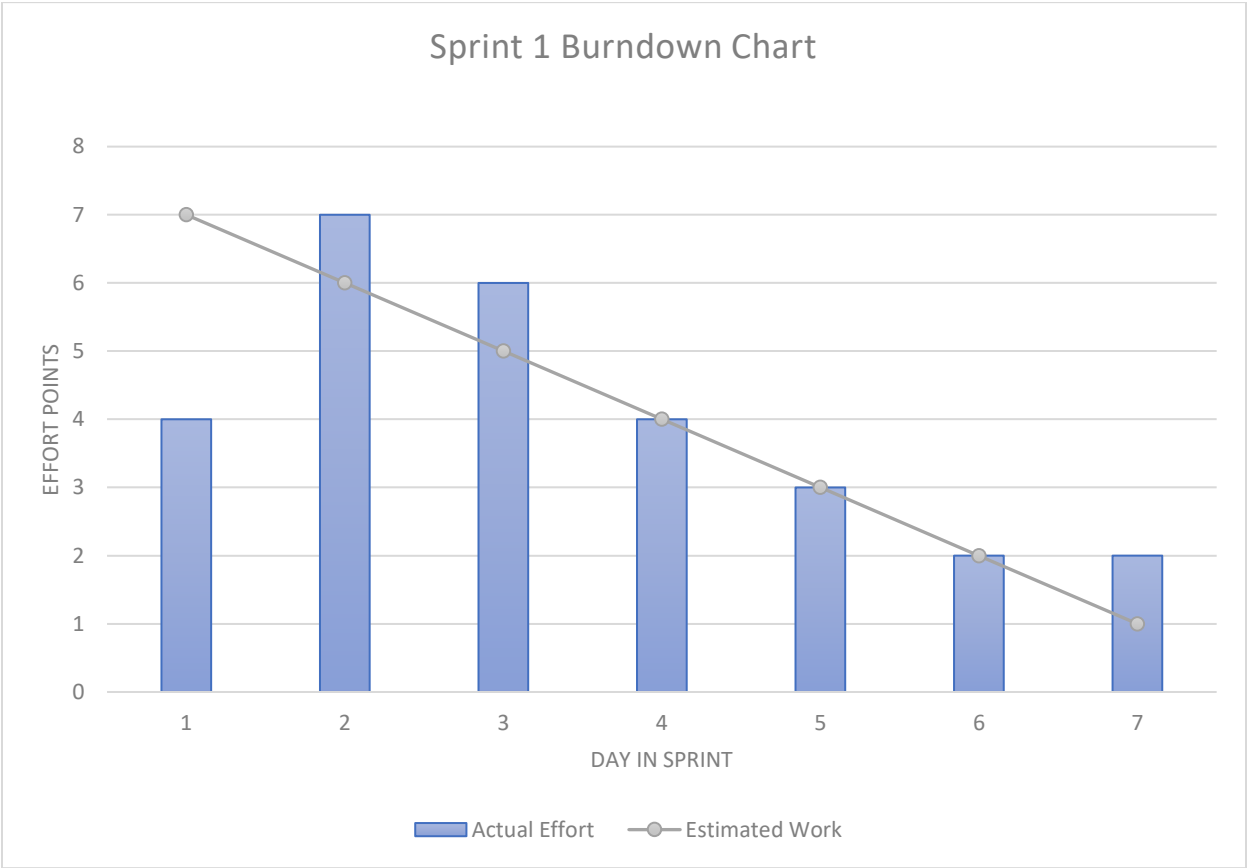

Team name: Disciples of Dan

Scrum Master: Karsten Boettcher

Date: March 12

Team Member	What did you do since the last scrum?	What do you plan to do before the next scrum?	What obstacles do you have?
Karsten	Checked and approved some PRs, started work on Navbar styling	Finish styling the main functionality of the site	More functionality gets added often and messes up some of my current styling
Tyler	Added a carousel to the front page, created a contact us page following the requirements, added a checked-out tools page, added a basic navbar and footer	Add a basic project page, add functionality for creating new tools	N/A
Connor	Added pictures to the tool models, started work on a shopping cart, reviewed some PRs	Finish shopping cart and tool check-out process -- make it work on every page	Shopping cart breaks a lot
Mark	Started work on a logo for the site, reviewed some PRs	Add the logo to the site, start working on unit tests, review documentation	Not knowing what needs to be tested (site has low functionality currently)
